

Parkstone News

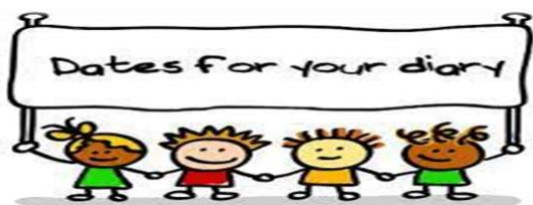

Parkstone Primary School takes seriously its responsibility to safeguarding all children and adults and has a rigorous procedure in place to do so. The school does not tolerate bullying and deals with all forms very seriously.

Designated Safeguarding Office; Mr J Rogers - Safeguarding Governor: Mrs C O'Neill

Note from Mrs Waller

It seems as though Summer is finally here and I hope you are enjoying the sunshine. Last Friday the children enjoyed our French Day and hopefully your children told you all about it and you have seen the photographs on our Twitter page. We held our first Parent Forum meeting which was really successful and I would like to thank those parents who attended and those of you who had passed on comments/questions to be discussed. The minutes of the meeting will be emailed to you shortly.

Non Uniform Day
Friday 24th June

Summer Fair
Friday 1st July from 1.30pm

**Sports Day to be held when we return
in September**

Attendance

Rec K Stow	83.68
Rec C Waudby	98.5
YR1 K Smith	89.05
YR1 M McCarthy	93.04
Yr2 E Clark	98.5
Yr2 C Nequest/LWhitworth	97.27
Yr3 A Derrick /RDooley	96.39
YR3 C Thompson	97.08
YR4 S Damary-Thompson	90.48
YR4 N Turnbull	95.65
YR5 A Jacobs	97.0
Yr5 C Wigglesworth/ R Robinson	90.75
YR6 C Woollin	92.59
YR6 L Wallace	85.42

Whole School 93.33

EYFS

Over the last 2 weeks EYFS we have been learning about shadows, reading the book 'The Foggy Foggy forest' and linking it to our learning of shadows. In maths we have been learning to understand the link between addition and subtraction

Years 1 & 2

This week in year 1 in science, we have been learning how to grow plants

In year 2 we have been asking what grows from a bulb and what plants need to grow, along with exploring what a folk dance is.

Year 3 & 4

We have had a very busy few weeks in Years 3 and 4! In Year 3, we have been continuing to practise a range of stitches in order to complete our finished product very soon. In science, we have identified what a muscle is and how it helps us move. In Year 4, have been learning how to recognise that environments can change and that this can pose danger to living things, and how we can take better care of the world.

Years 5 & 6

It has been a very exciting few weeks in Years 5 and 6. We have all started learning the songs for Oliver, our end of year production. More details will follow separately.

Year 5 have started their Scratch programming unit in computing and there appears to be some very talented computer programmers in the year. The Year 5 children have also started their new book 'The Wonder Emporium'.

30 children from Year 6 enjoyed their 2 day trip to Edinburgh. We travelled by train, visited Dynamic Earth and Edinburgh Castle and even had tea in Pizza Hut! We also had 16 children take part in a full day of cricket last week with other Hull schools.
