

Maths

Multiplication and Division:

- Count in 2s, 5s and 10s
- Solve one step problems including multiplication and division

Number Fractions:

- Recognise find and name a half and a quarter

Money:

- Recognise and know the value of different coins and notes

As Scientists we will:

- Name the seasons
- Learn about different plants
- Know, identify and name a variety of trees and plants
- Label parts of a tree and plant

In PSHE we will focus on 'Relationships' and 'Changing Me', learning to:

- How special relationships help me feel safe and good
- Compare how I am now to when I was a baby and explain how I have changed

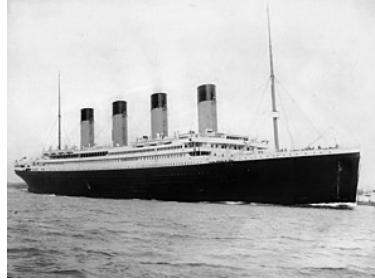

In Music we will focus on:

- Improvising
- Reflecting
- Listening and appreciating

In PE, we will learn skills to apply to athletics, dance and cricket.

Year 1 - Summer

Our topic for the Summer Term is:
Titanic

As Geographers we will:

- Use a globe and world map
- Know the 4 points of a compass
- Know where the equator, North Pole and South Pole are located
- Recognise the seven continents of the world
- Understand the location of hot and cold places and some features of cold places

As Historians we will explore the questions:

- What do hats tell us about the lives of people in Britain in 1912?
- What kind of hat did Delia McDermot buy and where was she going to wear it?
- Why did Delia want to leave her home?
- What happened to Delia whilst on the Titanic?
- How was the Titanic disaster reported in 1912?

In World Views we will focus on the topic 'Caring for the world' including:

- What does 'precious' mean?
- Christianity
- Islam

English

Reading

Read Write Inc will be used to teach phonics in small groups.

Dogger by Shirley Hughes will be the focus text in our English lessons. We will:

- Retell the story
- Retrieve information
- Sequence the story

Writing

- I can punctuate my sentences using a capital letter and a full stop
- I can use capital letters for most proper nouns
- I can begin to use a question mark and exclamation mark
- I can use 'and' to join clauses

As Artists and Designers, we will:

In Art, we will sketch the Titanic to link with our topic. We will experiment with pencils creating lines of different thickness and shade. We will be learning about the designer, Thomas Andrews.

In DT, we will create a piece of textile. We will design, make and evaluate a hand puppet.

In Computing we will focus on using technology to answer these questions:

- What is a website?
- What is data?
- What is a pictogram?
- Can I use the results from data to create my own pictogram?
