Proud to be part of Humber Education Trust

10th September 2026

Dear Parents and Carers,

Welcome back to a new school year! It's so lovely to welcome our new starters in Foundation Stage and have all the children back in Key Stage 1 and Key Stage 2 looking so smart and ready to learn! We would like to send a few reminders for the year ahead:

ClassDojo

We will be continuing to use ClassDojo as a way of rewarding children for a range of things. Teachers will be sending you information about what the children will be rewarded for and how many points the children will be awarded. Points will be added together to spend in our new ClassDojo shop.

Diary Dates and Curriculum Information

We understand how important it is for you to know as many diary dates as possible in advance. The diary dates will be sent later this week. Also, we will be sending out information about what your child will be learning about this term to foster conversations at home with your child. This will also include the expectations for homework including weekly reading. All this information will be available on the website, which is a useful place to find out all Parkstone news.

Parental Code of Conduct

We believe that the success of our pupils is a joint venture between all of us and we all have our part to play. We will now be adopting Humber Education Trust's Parental Code of Conduct. A summary of which is attached with this letter. We ask that you read it as a reminder of all our expectations and responsibilities and keep it as a reminder that we work together as a team, and we will all do our best.

Attendance:

At Parkstone we are clear in our desire to ensure all pupils have good and sustained attendance. With only 190 school days each year, it is imperative that each day is utilised to its full potential to offer the best possible opportunity for future success. We are committed to working with parents and carers to ensure a high level of school attendance.

Please call the school office to inform us when your child is unwell. If your child has good attendance, we may not need to request medical evidence. However, if your child's attendance is causing concern, we may politely request that you provide medical evidence so that we can authorise your child's absence from school. This is important as it provides an evidence base (i.e. a clear picture) for your child's attendance across the year and can prevent any unnecessary future referrals to Hull Local Authority.

Home visits may be carried out to ensure your child is safe – if there is no answer at the door, we may refer onto other agencies.

School lunches:

All school lunches can now be paid for using the Arbor app. Please ensure you keep your account up to date. All monies owing at the end of a fortnightly period will need to be paid off in order for your child to continue to have a school meal. If you need any help or assistance with this, we are always happy to help.

As always, we have an open-door policy, and we are here to support you. If you have any questions or queries, don't hesitate to speak to your child's class teacher or call in to the office where we will do our best to help.

Yours sincerely,
Mr Rogers
